G.S.D.C. OF CENTRAL OHIO, INC. MEMBERSHIP HIGHLIGHTS
WEDNESDAY, AUGUST 14, 2013

Treasurer's Report: Sue Clark reported that the club realized a profit on the May specialties because judges' expenses were minimal. She sent both judges gift cards as voted at the June meeting. We received the check from the Cincinnati club in payment of ad in GERMAN SHEPHERD DOG REVIEW. She will have books audited by Teri Ayotte.

Secretary's Report: Judges were contacted. Bob Slay is on the ballot to judge the G.S.D.C. Of American in 2014, so his name was removed. First judge contacted was Edmond Barritt, and he agreed to judge our morning specialty. Kenneth Rayner was contacted and agreed to judge second specialty. Both were sent contracts and have signed and returned them. The secretary was instructed to contact Dottie Bowman of the Cincinnati club to provide our judging panel for 2014.

Training classes will begin with registration on September 9, (Monday following Labor Day). Members voted to charge \$75 to include the Canine Good Citizen test at the completion of the course.

BRAGS!

Sizzle has done it again! In a relatively short period of time she has earned her fourth agility title. Sizzle is very bright, athletic, and a fun dog to own. I know there is much more to come in the future. We are having a blast together! And, isn't that what it's all about?

The agility titles she's earned thus far are:

NA = Novice Agility

NAJ = Novice Agility Jumpers

OA = Open Agility

OAJ = Open Agility Jumpers (latest title earned)

So as of July 15, 2013, Sizzle's registered name reads King's Da Bomb OA OAJ CGC.

Not only was it a first place run, but Sizzle was the only 24" dog in the Excellent and Masters level to even qualify. What a proud Momma I am!

Thanks to Angie King for such an awesome and fun dog. She has been a great breeder to share the joys with as well as our struggles. Dealing with her has doubled the fun as she gets as much pleasure out of my accomplishments/triumphs with Sizzle as I do.

Marcy Wright & Sizzle (she truly is Da Bomb)

**NEW From the American Kennel Club:  
*Advanced AKC Canine Good Citizen Testing!***

The AKC has just come up with a more advanced, third level of the Canine Good Citizen Program called the *AKC Community Canine!*

This new title, which will be designated as **CGCA** (Advanced CGC), will be able to be earned as of October 2013.

The levels of the AKC Canine Good Citizen Program are now: 1) AKC S.T.A.R. Puppy, 2) Canine Good Citizen-Responsible Owners, and 3) AKC Community Canine: Advanced CGC.

Some of the exercises needed to pass the advanced Canine Good Citizen level are a 'leave it', doing a sit-stay with a few other dogs present, be able to walk through a doorway without getting in the way of other people, and more.

Upon reading the details of the AKC Community Canine program, many of the items are very similar to therapy dog testing.

See our included detailed information from the AKC on this new program in **this** issue of Guidelines on page 10!

## July 2013 Board O' Gram (Board Highlights)

The German Shepherd Dog Club of America Board of Directors met on July 27 and 28 in St. Louis, MO.

The minutes of the April Board meeting were approved with the addition of Lew's April motion that stated "allow PAL dogs at the 2013 National and then send a ballot to the GSDCA membership to vote as to whether this should be allowed in future National events."

Laura Gilbert reported that the Honest Ballot contract was a lower price than expected.

She talked to Mike Lyosis about AKC's position on electronic balloting. Laura reported that electronic balloting will require a change to our By-Laws which must be submitted to AKC for their review and then to our membership for a vote. Laura and Carmen worked the necessary language.

It was noted that the Executive Committee made the decision to host the Friday night celebration at Dream Park.

Frank reported that Pam Stoesser and Susan Casey are working to put the GSD Review magazine on line. The idea behind this is to offer new GSD owners a peek at our magazine and invite them to join the club.

We are investigating the effect on membership dues for members who want the Review on-line. It was suggested that we offer an automatic membership renewal using a credit card.

The Futurity co-chairs, Kathy Potter and Joan Intersimone, had some suggestions to increase Futurity participation. The Board reaffirmed the requirement for Futurity judges to attend a GSDCA National Judges' seminar. It was decided that, in the future, GSDCA National judges' seminars will be held around the country.

The following judges were approved for the 2014 Futurity/Maturity shows:  
**NE Region** - Ben Bigornia alternate Debbie Kaser-Friedberg- Amateur

8

Jason Lyle

**MA Region** - Jerry Guzman alternate Jerry Graham - Amateur Linda Burley

**GL Region** - Sharon Avery alternate Judy Teidel - Amateur Leslie Beccia

**SE Region** - Phil Miller alternate Brenda Newby - Amateur Georgia Miller

**MW Region** - Art Sinclair alternate Donna Calabrese - Amateur Elizabeth Stiefferman (Pending Board approval)

**SW Region** - Dean Wylie alternate Helen Gleason - Amateur Rita Chapman

**SP Region** - Cathy Darnell alternate Iza Kabuska - Amateur Sheryl Brockett

**MP Region** - Mike Sherman alternate Joan Fox - Amateur Sharlonna McGaha

**NW Region** - Joe LaRosa alternate Doris Farrell - Amateur Juanita Williamson

The board went into closed session for a brief period of time.

Gail Stiefferman, National Show Chair, reported that everything is on schedule and running smoothly.

- The specialty show on Tuesday will be outdoors at Dream Park.
- There will be an additional obedience & rally trial on Thursday.
- The welcome party will be Wednesday evening.
- Agility will be held on the main arena.
- The premium lists are listed on the website.
- Gail is asking for volunteers to help with our National Specialty in Philadelphia.

Mary Gattone is asking for volunteers for the WUSV World Trial in Philadelphia.

As previously agreed, the Board decided to send changes to the standard to the membership for a vote. It is understood that it has to go first to AKC for their review. The proposed changes are to remove white color as a disqualifying fault and define long coats as permissible.

Morton Goldfarb is working on a DVD which includes a brief history of the breed and a copy and discussion of the AKC standard. This DVD will be distributed in a packet for new judges.

The next meeting of the GSDCA Board will be held on Sunday, October 13 at 8:00AM - Location: Holiday Inn, Swedesboro, NJ.

## **Many, Many Thanks....**

**Thank you** to the GSDCA members and Regional Clubs who generously donated ALL the trophies needed for the National!

**Thank you** to all the volunteer chairs and coordinators who so generously are donating their time to make this event truly special for

# AKC COMMUNITY CANINE™

## What is It?

### AKC COMMUNITY CANINE™

AKC Community Canine™ is the third and most advanced level of the Canine Good Citizen Program. In AKC Community Canine, dogs can earn the CGCA (Advanced CGC) title.

The goal of AKC Community Canine is to test the dog's skills in a natural setting. For example, rather than the dog being tested in a ring, in AKC Community Canine, the "walks through a crowd" test item will involve the dog walking through a real crowd at a dog show, on a busy sidewalk, at a training club or in a local park.

## WHAT YOU NEED TO BEGIN

To earn the AKC Community Canine (CGCA) title, your dog must have:

- 1) a Canine Good Citizen test on record at AKC CGC (CGCA) title.
- 2) an AKC number, or PAL number, or AKC Canine Partners number. We attach titles to a dog's number at AKC. All dogs, including mixed breeds, can earn titles. See: [images.akc.org/gc/number.pdf](http://images.akc.org/gc/number.pdf)

## HOW IT WORKS

You can attend a basic training class to teach your dog the CGCA behaviors, or if you have the skills and knowledge, you can teach your dog the CGCA skills yourself.

When your dog is ready, sign up for a CGCA test administered by an AKC Approved CGC Evaluator. Tests are held in the community, at AKC dog shows, at training classes, and at some pet supply stores.

When your dog passes the CGCA test, the evaluator will give you the paperwork to send to AKC to request the CGCA title certificate.

To find an evaluator near you, see:  
[www.akc.org/events/gcg/cgc\\_bystate.cfm](http://www.akc.org/events/gcg/cgc_bystate.cfm)

The AKC Community Canine testing level is all about responsible dog ownership and having a well-behaved dog in the community. Your role as a responsible dog owner begins the moment you decide to add a new dog or puppy to your family.

## The AKC's Canine Good Citizen® Program FROM PUPPIES TO THE COMMUNITY

With the introduction of AKC Community Canine, the Canine Good Citizen Program now provides a comprehensive 3 level training program for you and your dog.

### AKC S.T.A.R. Puppy: The First Step in Training

You and your puppy attend a class at least 6 weeks long to earn the STAR certificate and gold medal. S.T.A.R. stands for Socialization, Training, Activity and Responsible dog ownership.

[www.akc.org/puppies/training/star/index.cfm](http://www.akc.org/puppies/training/star/index.cfm)

### Canine Good Citizen: Responsible Owners, Well-Mannered Dogs

The AKC's Canine Good Citizen program is recognized as the gold standard for dog behavior. In CGC, dogs who pass the 10 step CGC test can earn a certificate and/or the official AKC CGC title.

[www.akc.org/dogowner/training/canine\\_good\\_citizen/index.cfm](http://www.akc.org/dogowner/training/canine_good_citizen/index.cfm)

### AKC Community Canine: Advanced CGC

AKC Community Canine extends the skills learned in CGC to the community. Dogs who pass the AKC Community Canine test are eligible for the "CGCA" (Advanced CGC) title.
